G.O. No. LETTER NO.4634

Dated 13TH SEPTEMBER 1948.

[Despatch Abstract.]

INCHORA - Cultivation by Russian method - Harvest during 1947-48 on Government of India account - Letter to Government of India.

GOVERNMENT OF MADRAS.
DEVELOPMENT DEPARTMENT.

Lr.Ms.No.4634.

From

The Secretary to Government.

To

The Secretary to the Government of India,
Ministry of Health, New Delhi.

Dated Fort St. George, Madras, the 11th September 1948.

Sir,

Sub: Cinchona - Cultivation by Russian method - Harvest during 1947-48.

I am directed to state that the Director, ~~of~~ Madras Cinchona Department has reported that a quantity of 30,580 lb. and 10,747 lb. of immature bark has been collected during the year 1947-48 from dead and dying plants in the close planted areas in the Government Cinchona Plantations, Anamallais and Nilgiris respectively. The sickly plants in the close planted areas in the Nilgiris were uprooted irrespective of their age and a quantity of 119 lb. of whole root material have been collected. No close planted areas were harvested during the year under report either on the Anamallais or Nilgiris plantations. All the immature bark collected have been delivered to the Quinine factory at Naduvattam for extraction of quinine Salts on Government of India account.

Yours faithfully,

Sd/- x x
Secretary to Government.
